

Bibliografía

La bibliografía de este trabajo está ordenada en dos secciones distintas. En primer lugar se relacionan por orden cronológico de edición original los artículos y libros de Popper en las ediciones consultadas y expresamente citadas a lo largo de este trabajo. Por la naturaleza de la investigación se han citado por separado los artículos posteriormente recopilados y publicados en forma de libro. Una bibliografía completa hasta la fecha de su publicación puede encontrarse en P. A. Schilpp (ed.), *The Philosophy of Karl Popper*, Open Court, La Salle (Illinois), 1974, 1201-1297 y después en <http://www.univie.ac.at/science-archives/popper/biblio.html>. En segundo lugar se relaciona por orden alfabético de autores toda la bibliografía general consultada y expresamente citada a lo largo del trabajo. Los artículos y libros de Carnap, Feigl, Kraft, Schlick, Russell y Wittgenstein se relacionan por orden cronológico de edición original.
