

in expense of his part to say 1.6
He is all right - but with
Health Chances - his way on
now a little more -

Yours ever truly
W. Mattson

Prof Dr. Peirce
Cambridge,

Print Washington, D.C. 24 1875

My dear Sir,

Yours of 15. is just recd.
upon my return from a visit to
one of the Dr's parties in here.

and I am very glad you have
written so fully. but pretty sure
to know that you father has
so broken his mind about

Charles' case. of the nature of
the things of I know
nothing whatever except the
fact, as you have not a
Mentari nor a number
