Cambridge Mass

Dec 16, 1872

Dear Sir

I have filed copy of the  
Superintendent's letter authorizing  
the employ of Mr. Boyle, under  
the supposition that Mr. Klein  
has been advised of the engagement.

The Superintendent retains  
your record letter of inquiry  
concerning the backed maps,  
intending to recover, if possible,  
a clue by asking D. Parsons to  
name some of the Librarians in  
Florida.

Yours respectfully

W. W. Cooper
