 1858th Anomalistic Year.

Dear Everett

If you have nothing im-
 portant to do this evening
 come round to my room &
 rehearse **ROMEO & JULIET**

for next Monday eve.

Romeo - - - - - Everett
 Juliet - - - - - Peice

You needn't - have learnt your part.
 My brother & I, you know, didn't act
 the whole of any one scene but took
 it as the dawn & Juliet as the sun &c and
 then ~~the~~ part of the scene in the tomb.

I have the honor to be
 Charles S. Peice
