

Patronato de la Alhambra y Generalife
CONSEJERÍA DE CULTURA

La presente colección bibliográfica digital está sujeta a la legislación española sobre propiedad intelectual.

De acuerdo con lo establecido en la legislación vigente su utilización será exclusivamente con fines de estudio e investigación científica; en consecuencia, no podrán ser objeto de utilización colectiva ni lucrativa ni ser depositadas en centros públicos que las destinen a otros fines.

En las citas o referencias a los fondos incluidos en la investigación deberá mencionarse que los mismos proceden de la Biblioteca del Patronato de la Alhambra y Generalife y, además, hacer mención expresa del enlace permanente en Internet.

El investigador que utilice los citados fondos está obligado a hacer donación de un ejemplar a la Biblioteca del Patronato de la Alhambra y Generalife del estudio o trabajo de investigación realizado.

This bibliographic digital collection is subject to Spanish intellectual property Law. In accordance with current legislation, its use is solely for purposes of study and scientific research. Collective use, profit, and deposit of the materials in public centers intended for non-academic or study purposes is expressly prohibited.

Excerpts and references should be cited as being from the Library of the Patronato of the Alhambra and Generalife, and a stable URL should be included in the citation.

We kindly request that a copy of any publications resulting from said research be donated to the Library of the Patronato of the Alhambra and Generalife for the use of future students and researchers.

THE ALHAMBRA

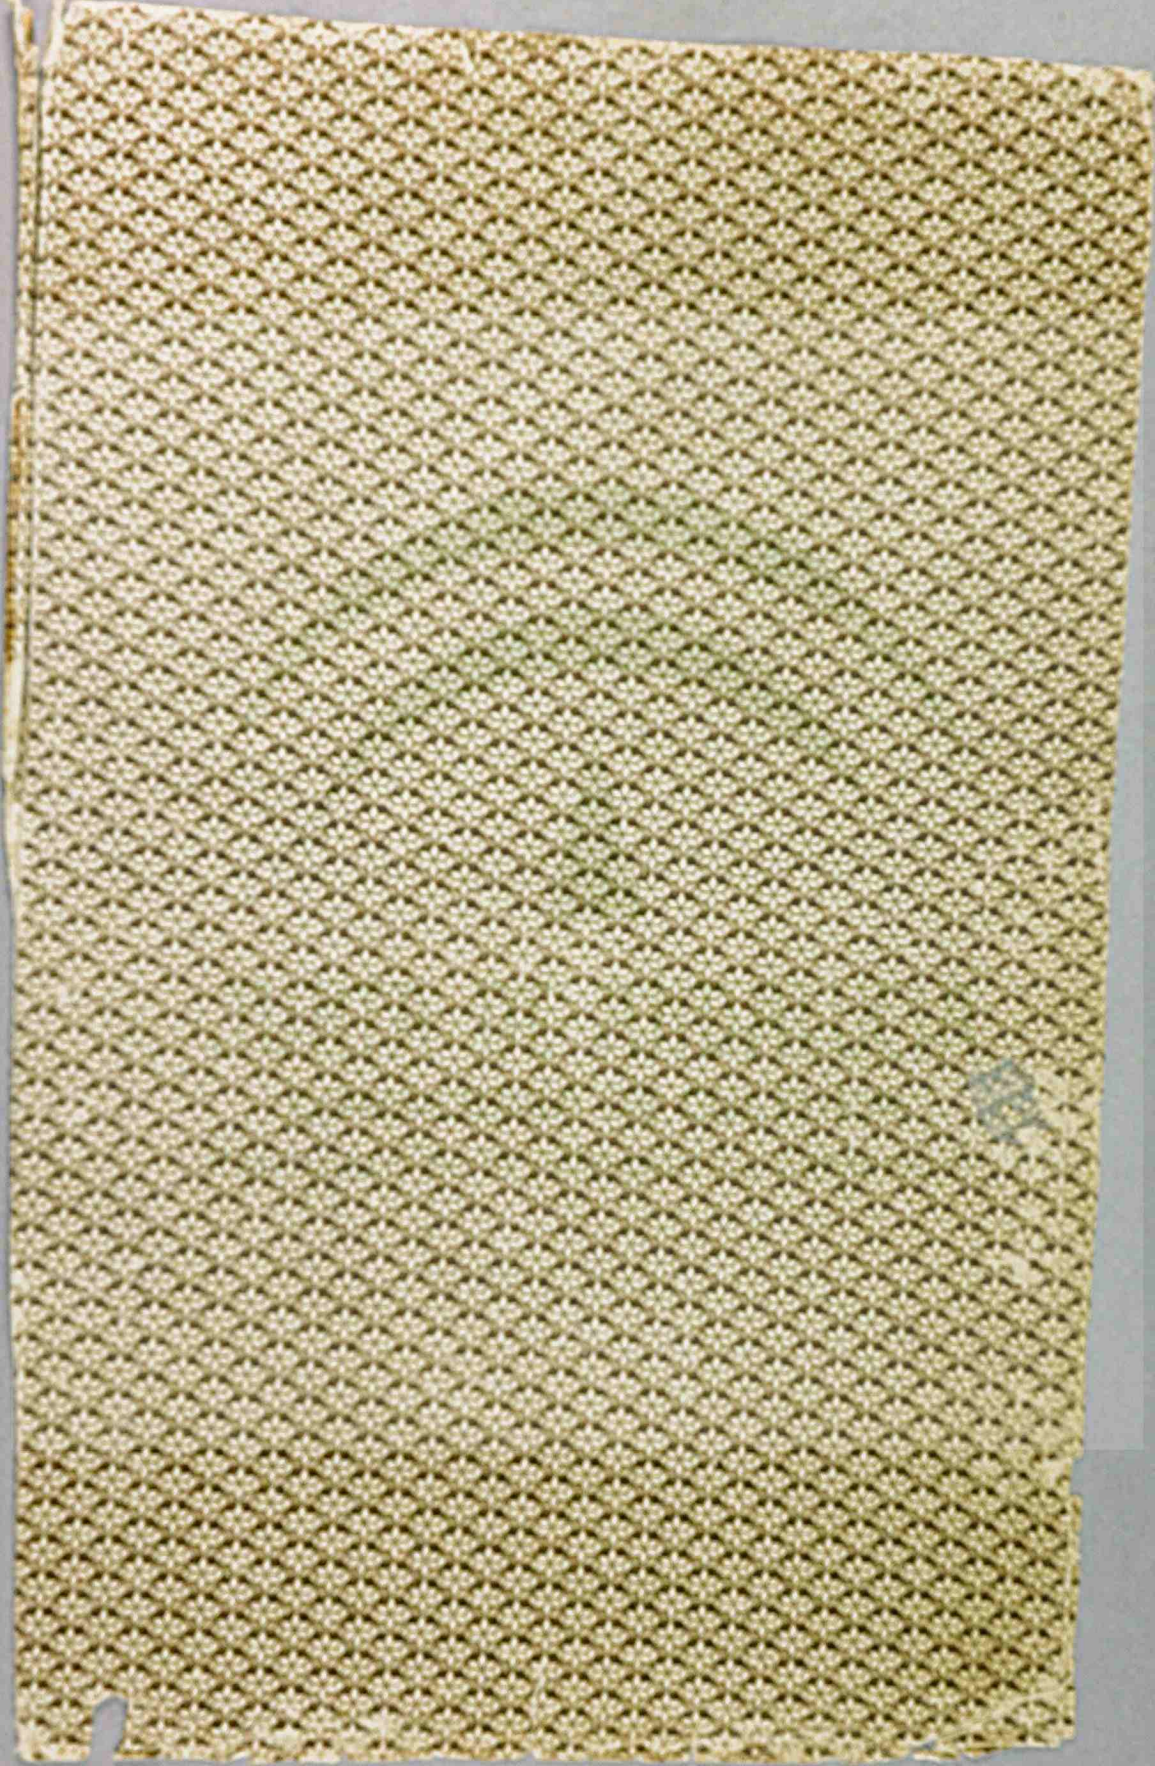

by

PRINCE DOLGOROUKI

and his wife

0
J'ai l'honneur d'adresser à V. Excellence
le supplément au Catalogue des
ouvrages parus à la Librairie de
J. B. Lasserre

Plusieurs voyageurs voulant perpétuer le mémoire
de leur visite à l'Alhambra, ont défigurés ses
murs en les remplissant de leurs noms et de
leurs pensées. Afin d'apurer une plus longue
existence au souvenir de ces voyageurs et de pré-
server en même temps l'édifice de plus grandes
injuries, ce livre a été offert par

Le Prince Dolgorouki
Alhambra ce 9 Mars 1829.

Enrichi Kowalew

Tiene este Album 355 folios.

La última persona que ha puesto en él su
firma ha sido George Rossini en 20 de Mayo
de 1842.

El Príncipe Dolgorouki lo regaló con el objeto
laudable que él mismo explica en la página an-
terior, y lo inauguró, con Washington Irving y
demás compañeros y amigos, en 9 de Mayo de
1829.

Ha tardado en llenarse, por tanto, este volumen
43 años y once días.

El que suscribe se propone publicar en tiempo oportu-
no un trabajo en que se darán á conocer las principales
composiciones literarias y los mejores pensamientos de
este libro. — Granada 20 de Enero de 1873.

Joseph L. Christopher of London

Genios ilustres, q. en la noche oscura
vagais por estas bóvedas, exsantes,
floras exsultadas, orgullosas antes,
Mansiones de la vida y la hermosura,
¿Adonde tanta gala y donosura,
tanto valor de pechos arrogantes,
tanta ternura y suspirar amantes
Adonde fueron, q. ni el eco dura?
Todo es silencio, donde fué alegría,
Cayo el alcazar de Atlante, en gloria,
y su poder, tan envidiado un día:
De todo apenas queda una memoria,
Todo ced. al tiempo al porvenir,
Solo exsiste es un amor, el dolor mío
