

When I was a boy  
I often heard  
of the Holy Spirit  
and I was  
very much  
interested  
in it  
and I  
was  
very  
much  
interested  
in it  
and I  
was  
very

Among your letters from Prague  
nearly three weeks ago. It makes  
me feel as if you were here & it  
seems to me to be written in the  
the Holy Spirit. - God grant that  
you & all are well. And you do  
not lose occasion either Charles  
or Peter & I know nothing  
about either of them - but about the  
time of the eclipse some  
time I began to feel as if this  
praying would some time have  
an end. Now we are all well  
Helen & the baby going on fine
